**5. MAYOR MARIA D. FERNANDES - 2008 NEW YEAR MESSAGE:**

Good morning ladies and gentlemen and welcome to Sea Bright's 2008 Reorganization Day. I am honored, humbled and ready to serve as your new Mayor.

I would like to start by congratulating Councilmembers Brian Kelly and Peggy Bills on their successful re-election and election, and to welcome our newest council member Susana Markson, who was appointed to fill my former council seat.

I look forward to working with all of you as well as our veteran Councilmembers Jack Keeler, Dina Long and Tom Scriven. Sea Bright is fortunate to have such a dedicated team to serve on council.

We are very fortunate to have some honored guests with us today: Senator, Judge and now Freeholder John D'Amico and newly elected Sheriff Kim Guadagno.

Before I introduce our next guests, I will need to share with you some of my family background. For those of you who may not know, my mother was born in Portugal, and my father was born in New York City because his parents, my grandparents, immigrated to the United States from Portugal in 1920 through Ellis Island. I was born and raised in Elizabeth, NJ.

You are probably wondering why am I telling you this. Well, that is because Sea Bright will forever remain in the history books as the first municipality in the State of New Jersey to have a Portuguese-American female Mayor. I am the third Mayor in the entire U. S. to have this distinction. I am honored and proud for Sea Bright as well as all Portuguese-Americans.

Our next honored guests with us today are the Portuguese Consul General Francisco Azevedo and the Consul Chancellor Joao Gouveia. "Benvindos" a Sea Bright "Welcome to Sea Bright." I would now like to share with you some of my goals for the governing body for 2008.

My vision for Sea Bright is one of a clean, safe community that provides optimal quality of life and a sustainable future to its residents. This means we must run efficiently to maximize tax dollars; we must work to solidify our business base; we must maintain our infrastructure; we must develop the beachfront and enhance our municipal facilities; and we must remain cognizant of public safety and its importance to quality living.

The Personnel, Administration, Recreation Committee, with Councilwoman Peggy Bills as the Chairwoman, has been planning a new skate park and the Borough has recently received a County Parks grant.

The Beach, Environment Cultural Arts Committee, with Councilman Tom Scriven as the Chairman, is planning on a new beach facility.

The Public Works, Construction Department, Public Relations Committee, with Councilwoman Susana Markson as the new Chairwoman, will be planning on new public works facilities.

The Public Safety, Insurance, Court Committee, with Councilman Jack Keeler as the new Chairman will be planning on much needed facilities.

As you can see each committee is working on their respective projects, but what is missing is a unified, agreed to plan by the governing body that shows where all these facilities will be located and a priority list of what needs to be taken care of first.

This is where Councilman Brian Kelly comes in as the new Chairman of the Smart Growth, Flood Mitigation, Beautification Committee.

The council has been talking about Smart Growth for quite some time, and we have received a professional plan that suggests a few options for our borough facilities. I would like to recommend to the Smart Growth Committee, that they schedule public workshops starting in February, with public participation and input, to decide the best location for these facilities.

We will then refer to Councilwoman Dina Long, the new Chairwoman of Finance, Education, Grants Committee, for funding recommendations and to pursue shared services with other municipalities. We should explore private-public partnerships or any other creative funding methods so as not to overburden the taxpayer.

I feel that it is extremely important that our residents and business owners attend these Smart Growth Workshops, as well as our Council meetings, to listen to the governing body, and in turn share their ideas and experiences with us.

Some residents have raised concerns that they cannot make our Council meetings, because they start too early. To address this, I have recommended to the governing body that we start our meetings one-half hour later. The council has unanimously agreed, so in 2008, we will start all Council meetings at 7:30 PM.

We are working towards reinstating Sea Bright into the CRS Community Rating System, which is part of the National Flood Insurance Plan that reduces flood insurance premiums. We have authorized our new Special Projects Engineer, Robert Mainberger to do this work for us and have this accomplished within a few months.

The Downtown Infrastructure Improvement Project (DIIP) is a work in progress aimed to curtail the flooding in the downtown area. This particular phase of the project includes Center, Beach, Surf, New and Front Streets. The plan calls for major construction in this area, including but not limited to installing new quiet submersible pumps, repaving all these streets and widening Beach Street. Borough Engineer David Hoder is heading this project, and Special Projects Engineer Robert Mainberger is working on the submersible pumps. As soon as all the necessary permits are received, we can go out to bid, and construction will begin shortly thereafter.

I just received an email on Thursday from the U. S. Army Corps of Engineers advising that they are finalizing the preliminary report and concept design for the Sea Bright bulkhead along the Shrewsbury River, and they will be contacting us in March.

We have received concerns about the danger and nuisance that the ATVs pose to the beachgoers on our beaches, and I am inclined to agree that this may also be an unnecessary expense. I would like to recommend to the Beach and Public Safety Committees that the continuous daily routine ATV beach patrol be eliminated this summer. The police would continue to be available for any calls for service on the beach.

Councilwoman Long was successful in reducing the speed limit to 35 MPH in the north and south beach sections for the summer months only. We will continue these efforts by working with the New Jersey Department of Transportation to maintain the speed limit at 35 MPH year round. The Sea Bright Police have significantly increased their enforcement of speed violators throughout the borough. However, we must have stricter enforcement around the clock throughout the entire borough. 24 hours a day, 7 days a week in order to maintain a safer community for our residents and visitors.

Another concern is the quarterly sewer utility bill. I will share with the Finance Committee my recommendations on this and ask the committee to revisit this.

In 2007, Sea Bright had 24 students attending Shore Regional High School. Although the average cost to educate a child at Shore was approximately \$15,000 per student, our total cost was \$1.8 million or \$75,000 per student. So, today I will be

appointing a School Funding Advisory Committee with valuable expertise and backgrounds that include teachers with various degrees including a PhD in education, former and current board of education members, political fund raiser, attorney and an actuary. This strong committee of dedicated residents will develop a long-term plan for securing state changes—a plan that may involve other municipalities in inequitable regionalized agreements such as ours.

My role as Mayor will be to work with them, to ensure the Borough is actively involved in their effort and to open doors at the state level with legislators. Resolving this imbalance requires us to stop simply complaining about it, but instead let's initiate a plan of action.

I would like to take a moment to recognize and thank all of our employees, whose names and titles appear on today's agenda, for a superb job.

We have wonderful volunteers who selflessly devote many hours to organizations such as the Fire Department, Fire Ladies, First Aid, and Emergency Management.

We also have many volunteers in various advisory committees who care about Sea Bright and want to be part of our community's progress, but we are always looking for more volunteers. If you have the time, get involved, because we need you. I ask that all employees strive to be more tolerant of their fellow workers and superiors. Let's all try to communicate more with each other.

And to my fellow council members, I believe that we all got involved because we wanted to make a difference and to make Sea Bright the best community that it can be. Let us always remember that we are here because the voters chose each of us to represent them. We owe it to the voters to communicate with each other openly and freely, and disagree respectably. And now in closing, I wish everyone a Happy and Healthy 2008, and may God bless Sea Bright. Thank you.

**6. PRESENTATION OF PLAQUES:**

**WILLIAM J. KEELER, COUNCIL PRESIDENT 2006 - 2007**

Mayor Maria D. Fernandes read the plaque's inscription: Presented to William J. Keeler, Council President in grateful appreciation for your service to the Sea Bright community as Council President for 2006 and 2007. Mayor and Council, Borough of Sea Bright, January 5, 2008. Councilman Keeler offered thanks and appreciation to the Mayor and Council.

Councilman Keeler said that as stated earlier by Mayor Kalaka-Adams there is a pending legal challenge to the Mayoral Election and as such the three Republican Councilmembers will be abstaining from voting on the Committee appointments and the Consent Agenda.

The abstentions have nothing to do with the individual merits of the people mentioned for Committee assignments. Counsel

recommended this procedure. The hearing has been pending in the Court in Freehold since December 13, 2007. The Superior Court hearing the matter will have the authority to either affirm the present certification or will declare a new mayor or call for a special election.
