COMMUNITY STAKEHOLDERS SURVEY

February 6, 2012

To: Individuals and Organizations with interest in the Rumson-Sea Bright Bridge (S-32 Bridge)
From: Monmouth County Division of Engineering & Traffic Safety
RE: Local Concept Development Study for Monmouth County Bridge S-32
Borough of Rumson and Borough of Sea Bright
Community Stakeholder Survey

Monmouth County Division of Engineering & Traffic Safety is extending an invitation to local officials and community stakeholders in the area of the Rumson-Sea Bright Bridge S-32 to complete the following survey. Based upon the results of this survey, the project team will develop a community stakeholder group of members from both Boroughs and the region, which will meet for three meetings within the year to discuss improvements to the Rumson-Sea Bright Bridge.

The initial Community Stakeholder Group meeting will be held on **Wednesday, February 15, 2012 at 10:00-11:30 a.m. in Rumson Borough**. Further information will be sent in a meeting notice, once the Stakeholders Survey is completed. The purpose of the first meeting will be to introduce the project team, present the project status and schedule, and obtain input on the purpose and need. There will also be a future meeting held for the general public later in February to provide input on the Study.

Kindly provide the following contact information and responses to the questions listed below via email, fax, or telephone as indicated at the end of the survey.
